

# HP 255 G2 Notebook PC

Complete tasks and get connected on the value-priced HP 255. Loaded with AMD technology, multimedia tools, and Windows 8.1,<sup>4</sup> this notebook helps you get the job done. The durable chassis helps protect the notebook from the rigors of the day.

## HP recommends Windows.

### **Built for mobile use.**

From meetings down the hall or across town, rely on the durable chassis that protects this notebook's matte charcoal finish. With a 39,6 cm (15.6") diagonal HD<sup>2</sup> display, you'll appreciate the good view without sacrificing portability.

### **Powered for business.**

Complete business assignments with the power of the latest AMD dual or quad core processors.<sup>5</sup> Powered by AMD technology, your notebook keeps up with your job's demanding tasks without blowing the budget. Add powerful visuals and vibrant colors to reports, images and more, thanks to AMD's graphics capabilities. Access the Internet and email at the office or your favorite hotspot, thanks to Wi-Fi CERTIFIED™ WLAN<sup>1</sup> that helps keeps you connected.

### **Extras that polish the experience.**

HP, a world leader in PCs and touch technology, now brings you Windows 8.1<sup>4</sup> on a full range of products designed to fit the needs of business. Get business-class security to protect data and devices. Your Windows 8.1<sup>4</sup> experience. Buy Office.

From training to sales videos, view high quality multimedia right from your notebook using the preinstalled software.

The Altec Lansing speaker brings you an extraordinary listening experience.

Give presentations finesse when you connect to larger, HD<sup>2</sup> displays through the HDMI port.<sup>3</sup>

### Footnotes

<sup>1</sup> Wireless access point and Internet service is required and is not included. Availability of public wireless access points limited.; <sup>2</sup> HD content required to view HD images.; <sup>3</sup> The HDMI cable is sold separately.; <sup>4</sup> Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com>.; <sup>5</sup> Dual core and quad core processing with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance will vary.

### Technical specifications disclaimers

<sup>1</sup> Not all features are available in all editions of Windows 8.1. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8.1 functionality. See <http://www.microsoft.com> for details.; <sup>2</sup> Not all features are available in all editions of Windows 7. This system may require upgraded and/or separately purchased hardware to take full advantage of Windows 7 functionality. See <http://www.microsoft.com/windows/windows-7/> for details.; <sup>3</sup> This system requires a 64-bit operating system and 64-bit software products to take advantage of the 64-bit processing capabilities of AMD technology. Dual/Quad core processing with AMD technology is designed to improve performance of this system. Given the wide range of software applications available, performance will vary.; <sup>4</sup> Internet access required.; <sup>5</sup> Maximum memory capacities assume Windows 64-bit operating systems or Linux. With Windows 32-bit operating systems, memory above 3 GB may not all be available due to system resource requirements.; <sup>6</sup> For hard drives, GB = 1 billion bytes. TB = 1 trillion bytes. Actual formatted capacity is less. Up to 16GB (for Windows 7) and up to 36GB (for Windows 8) of system disk is reserved for system recovery software.; <sup>7</sup> Duplication of copyrighted material is strictly prohibited. Actual speeds may vary. Double Layer media compatibility will widely vary with some home DVD players and DVD-ROM drives. Note that DVD-RAM cannot read or write to 2.6GB Single Sided/5.2 Double Sided-Version 1.0 Media.; <sup>8</sup> Wireless access point and Internet service required and sold separately. Availability of public wireless access points limited.; <sup>9</sup> Bluetooth™ 2.1 is available on Linux operating system. Bluetooth™ 4.0 is available on Windows 8 operating system only.; <sup>10</sup> Sold separately or as an optional feature.; <sup>11</sup> HDMI cable sold separately.; <sup>12</sup> HD content required to view HD images.
