

# PowerWalker SNMP Manager

## SNMP Module

Monitor UPS through RJ45 network connection

RJ45 10/100BaseT port

Protocol support SNMP-V1, SNMP-V2

Supported MIB: RFC1213, RFC1628, MIB

Optional: Environmental Monitor Detector

Item-No. 10120505

PowerWalker SNMP manager is a communication solution for UPS monitoring and control. This SNMP manager card allows remote monitor and manage multiple UPSs from anywhere with internet access. Integrated web access will leverage internet capability of SNMP manager to remotely program or shut down UPSs. Equipped with SNMP manager, power conditions of all UPSs can be monitored anytime/anywhere even though the UPS units are located in different floors. Besides, this card also come equipped with easy-to-update firmware feature. Whenever the updated firmware is released, system manager can download it and simply upgrade all with one click.

### Product Features

- Allows to control and monitoring of multiple UPSs through RJ45 network connection
- Real-time dynamic graphs of UPS data (voltage, frequency, load level, battery level)
- Warning notifications via audible alarm, broadcast, mobile messenger, e-mail and SNMP traps
- Historic data log stored in centralized PC database
- Simple firmware upgrade with one click
- Password security protection and remote access management
- Optional: Environmental Monitoring Detector for temperature and humidity
- ViewPower Pro software offers another enhanced communication solution for UPS monitoring and control.

## Technical Details

### Product Features

CPU	MCF52259
System Clock	48.0M
Flash memory	512K
LED	2
Watch Dog	YES
SNMP Protocol	V1 and V2
Supported MIB	RFC1213, RFC1628, MIB

### LAN Interface

Type	10M/100M UTP
Ethernet Throughput	808 Kb/sec
Latency	0.89 milliseconds

### Power Specifications

DC Input Voltage	12V
DC Input Current	120mA

### Software & System Requirements

Operating System	Windows family, Linux, Mac, Solaris
Other	1x RJ45 port

### Product Details

Dimensions	23 x 47 x 15 mm
Colour	Black
Weight	34.7g
Model Code	SNMP Manager

### Environment

Temperature	0°C – 40°C
Humidity	0 - 95% RH (non- condensing)

### Package Content

Package Content	SNMP Manager, manual
-----------------	----------------------

### Optional

EMD	Article-Nr. 10120544
-----	----------------------

### Logistic Data

Giftbox Language	EN
Manual Language	EN
Item Number	10120505
EAN	4260074974034
Warranty	24 Months

Version: EN 16/09/2013

We reserve the right for technical changes and mistakes
