⁴ Your computer's battery life may vary depending on product specifications, computer settings, and applications or features launched. All batteries' maximum capacity will diminish with time and use.

Product Views and Connectivity

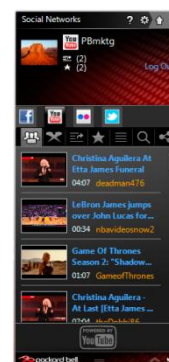

The Packard Bell Social Networks key

Press and share!

Press the Social Networks key (F1) to launch the **Packard Bell Social Networks application** and you get **Facebook, YouTube™, Twitter and Flickr** in a convenient sidebar on the right-hand edge of your screen. You can then instantly post comments, play games, update your profiles, view or share photos and videos, and manage your entire online social life — directly from your desktop!
