

Monitor | V176L

Bright colors, sustainable vision

- Earth-friendly: recycled plastic, LED backlight, Acer EcoDisplay
- 17" HD Acer ComfyView display
- Acer eColor technology for remarkable image quality
- 100 million: 1 contrast ratio

The Acer V176L display delivers vibrant visuals and comfortable viewing ideal for business users. This 17" monitor provides the latest LED technology, together with high quality image reproduction. Also V6 series features Acer Adaptive Contrast Management, a technology that optimizes contrast for more detailed moving images.

Tilt design of this display ensures the best viewing angle at daily operation. You can adjust the viewing angle of the V176L in the range of -5° to 25°.

Moreover, the Acer V176L comes with thin body and grooves design on the tray of base to put your stationary on.

VESA wall mount	100 x 100 mm	
Tilt	-5° - 25°	
Speaker	2 x 1 W (optional)	
Power supply	Internal (100 V - 240 V)	
Power consumption (ENERGY STAR®)	Off	0.35 W
	Sleep	0.45 W
	On	13 W

HD LED monitor

The 1280 x 1024 resolution of this LED monitor delivers excellent detail, making it perfect for advanced HD productivity and multimedia applications. LED monitors also consume less power and last longer than those with CCFL lamps. Plus, this monitor is mercury free, making it safer for you and the environment.

Acer EcoDisplay

Acer monitors using white LED backlight technology minimize environmental impact while providing superior performance. White LED monitors do not contain mercury, making them safer for the environment. They also consume less power and are more durable than CCFL lamps, for good savings. Plus, as part of our commitment to sustainable operations and CSR, Acer uses methods to carry out product design and material management distinctly meant to reduce environmental impact.

ComfyView

ComfyView

Acer ComfyView monitors reflect less ambient light to deliver vivid colors, reduced glare and more comfortable viewing, even over prolonged periods.

Acer eColor Management

A single button — the Empowering Key — gives full access to the Acer eColor Management onscreen interface. Acer eColor Management provides a variety of advanced controls for achieving the best-possible image quality.

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2012 revenues reached US\$14.7 billion. Please visit www.acer.com for more information.
