

# Lenovo™ V310

## BECAUSE BUSINESS SHOULD BE A PLEASURE

Business is always a pleasure with this stylish notebook

The Lenovo™ V310 isn't just a notebook, it's an essential business tool. Created specially for business users, it is tailor-made for tackling To Do lists, thanks to the latest Intel® processors, DDR4 memory and optional ultrabay design. It also packs the security, connectivity and customisation options business users need to succeed, including 180-degree hinge, optional back-up battery, and dual storage options for the optimum blend of SSD performance and HDD capacity.

### WHY YOU SHOULD BUY THE V310

#### Design innovation

The Lenovo™ V310 boasts a slimline 0.9 inch design, unibody C-cover, anti-glare display and 180° hinge in one stylish PC.

#### Custom storage options

Optional dual storage offers users speedy SSD storage and higher-capacity HDD storage in one affordable device.

#### Dual battery boost

Thanks to its innovative design, the Lenovo™ V310 lets you store an optional second battery in the optical drive bay.

#### Built for business

Get business-class connectivity and security features including optional fingerprint reader and USB blocker.

### THE V310 IS BEST SUITED FOR

1

Business users who want to combine SSD speed and HDD capacity.

2

Mobile workers who will use the optional second battery to stay powered-up.

3

Collaborative workers who will make the most of the 180° lie-flat hinge.

### WHAT'S IN A THINKPAD®
