PRODUCT DESCRIPTION

LONG:

You continuously evolve your content. Stream and record your finest gaming moments with HD60 S, and leverage the ultimate foundation to showcase what you're really capable of. Thanks to a state-of-the-art, reversible USB-C connector, HD60 S doesn't make you think twice. You're hooked up within seconds, and stunning 1080p60 quality leaves no doubt that you're serious about your craft. Featuring Instant Gameview, a reliable, high-performance USB 3.0 connection feeds your stream with superior low latency technology. The built-in Live Streaming feature gets you up and running on Twitch and YouTube in a snap. Add your webcam, overlays and more with Stream Command, and change your stream layout on-the-fly with scenes. Add your voice with the built-in Live Commentary feature, and you're all set for the big show.

MEDIUM:
