ITS EcoTank L6170

This next generation 3-in-1 offers a range of connectivity options, automatic document feeder (ADF), double-sided printing and LCD screen.

Cut your overheads with Epson's cartridge-free ITS EcoTank, which can reduce printing costs by up to 90%[1]. Delivering an ultra-low cost per page, the included three years' worth of ink[2] can print up to 14,000 pages in black and 11,200 in colour[3]. Designed for business, this 3-in-1 inkjet features fast 15ppm[4] print speeds, double-sided printing, a 150-sheet front tray and a 30-page ADF.

Ultra-low cost
EcoTank ITS can cut printing costs by up to 90%[1] thanks to its innovative design. It features an ultra-high-capacity ink tank that removes the need for cartridges, plus it comes with three years' worth of ink[2] included in the box. Affordable refill bottles are available.

Print thousands of pages
Get more prints between refills. Thanks to the ink included in the box, it can print up to 14,000 pages in black and 11,200 in colour[3].

Discover the next generation
With the ink tank housed at the front, EcoTank ITS is more compact and easier to use than ever before. It features an enhanced ink filling system engineered to minimise the risk of spills and mess. The new bottles incorporate a mechanism that ensures only the right tanks are filled with the corresponding colour.

Business quality features
Produce crisp and clear texts thanks to the PrecisonCore permanent printhead and Epson's genuine black pigment ink. Designed for business, it offers a 150-sheet paper tray, double-sided printing, 30-page automatic document feeder (ADF) and print speeds of 15ppm[4]. It offers a one year standard warranty, and up to three years with the promotional warranty[5].

Desk-free printing
With Wi-Fi and Wi-Fi Direct, you can send documents to print from smart devices using the Epson iPrint[6] app. It can even receive files from almost anywhere in the world via Epson Email Print[6].

* Quoted yields are extrapolated based on Epson original methodology from the print simulation of Test Patterns provided in ISO/IEC 24712. Quoted yields are NOT based on ISO/IEC 24711. Quoted yields may vary depending on the images that you are printing, the paper type that you are using, the frequency of your prints and environmental conditions such as temperature. During the initial printer setup, a certain amount of ink is used to fill the print head's nozzles, therefore the yield of the initial bundled set can be lower.

1. The comparable ink cartridge calculation is based on the lowest yield cartridge used in the top 20 competitive A4 inkjet printers according to the IDC EMEA Hardcopy Tracker (Data Q4 2016) in the period January 2016 – December 2016. The calculation was based on the competitors' standard cartridge yield divided by the average Epson ITS Ecotank printer's bundled yield.
2. Three years' worth of ink based on average monthly print volumes of 290 pages for EcoTank ITS home and office printers. Calculations are based on the lowest bundled black ink yield for the following printers; L4150, L4160, L6160, L6170, L6190.
