Resolution

Full HD 1920 x 1080

1080p (1920x1080) is a set of HDTV high-definition video modes. With the superb clarity of available 1080p Full HD, you'll enjoy exceptional details no matter on Blu-ray movies or video games. Show movies on a mammoth scale in astonishing clarity.

Brightness

3,500 lumens high brightness

3,500 lumens high brightness provides the ability to project crystal clear, vibrant images from a long distance on a large screen even in daytime indoors.

Digital Connectivity-HDMI™ (Dual)

Dual HDMI™ ports deliver uncompressed digital signals and multi-channel audio, providing easy connectivity to high-quality HD broadcasts or entertainment.

Football Mode

Football Mode

Football game enthusiast can now enjoy the big-screen games that is so real as if you're there in the stadium. Football mode enhances the brightness, saturation, sharpness and gamma in the bright scenes to deliver the most vivid images.

About Acer

Founded in 1976, today Acer is one of the world's top ICT companies and has a presence in over 160 countries. As Acer looks into the future, it is focused on enabling a world where hardware, software and services will infuse with one another to open up new possibilities for consumers and businesses alike. From service-oriented technologies to the Internet of Things to gaming and virtual reality, Acer's 7,000+ employees are dedicated to the research, design, marketing, sale, and support of products and solutions that break barriers between people and technology. More information is at www.acer.com.
