

Immersive entertainment. Anywhere.

Satellite L50-C-27Z

Toshiba's 39.6 cm (15.6") Satellite L50-C offers a wide range of configuration choices for both performance and appearance – ideal if you want a powerful laptop that gets the best out of your entertainment. With a stylish and clean glossy design, the Satellite L50-C includes a frameless tile keyboard for comfortable typing. Beneath the attractive body is a system that puts the performance in your hands, with your choice of Intel® and AMD processors, different graphics configurations, and a variety of HDD, SSD and SSHD drives* that give you all the speed and space you need. Available in a wide range of colours* and with advanced audio technology for great sound, you can choose the Satellite L50-C that's right for you. What's more, Windows 8.1 comes pre-installed, while Windows 10 is available via a free upgrade**.
