

Lenovo™ V510

FUTURE-PROOF SIMPLICITY, POWER & SECURITY.

The Hard-working, Hard-wearing Laptop Your Business Can Depend On.

With its durable zinc alloy hinges, the Lenovo™ V510 is designed to be simple to use – dependable for years. Featuring the latest Intel® processor combined with the latest memory, it's a future-proof performance that handles any challenge. Switch between files and apps in a flash. View your documents and images in amazing detail on the FHD Antiglare screen. Share with the whole room, in wide-angle viewing. Hear music and voice calls in glorious Dolby stereo. And keep your data safe with built-in security features. Simply, powerfully, securely – the V510 gets the job done.

Lenovo™

WHY YOU SHOULD BUY THE LENOVO™ V510

Built to Last

Made from a “special zinc alloy”, with surfacing plate finish for a premium touch and feel, the display hinges are designed to endure at least 30,000 opens and closures throughout their lifetime.

56% Faster Graphics

From watching videos to editing photos, experience stunning visuals with optional Intel® Iris integrated graphics.

Powerful Performance for a Full Day

Opening & editing files is fast & seamless. With up to the latest Intel® 7th Gen Core™ processor and the latest DDR4 memory installed as standard – the V510 is a powerful future-proof laptop. Go unplugged with up to 12 hours of battery life, and conveniently recharge your phone even when your laptop is closed.

Keeps You Secure

Integrated firmware TPM works with the Windows 10 BitLocker feature to encrypt your passwords, keeping them secure from hacking. Plus the optional fingerprint reader with Windows Hello supports maximum security and fast login.

WHO NEEDS THE LENOVO® V510?

- 1** Business users looking for the latest technology and a hard-wearing design that will last for years.
- 2** Mobile workers who need extended battery life and always-on performance.
- 3** Security-conscious business users who store sensitive information in the cloud.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment. Succeed with substance and let Lenovo Service support you all the way.

PRIORITY TECHNICAL SUPPORT

Makes your priority, our priority. 24 x 7 priority call routing to advanced-level technicians, electronic incident tracking, and escalation management services.

WARRANTY UPGRADES - ON-SITE AND NEXT BUSINESS DAY

Maximizes PC uptime and productivity by providing convenient and fast repair service at your place of business.

WARRANTY EXTENSIONS (1-3 YEARS TOTAL DURATION)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment, and lower the cost of ownership over time.

ACCIDENTAL DAMAGE PROTECTION

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

KEEP YOUR DRIVE

Retain your drive if it should happen to fail, giving you the peace of mind of knowing that your valuable data is secure.

ASSET TAGGING

Systems come equipped with a professional, flexible asset tag based on your exact specifications. PCs are easily identifiable and trackable right out of the box.
