

DESKTOP THAT DRIVES
BUSINESS GROWTH

Lenovo V530 TOWER DESKTOP

Lenovo[™]

Lenovo V530 TOWER DESKTOP

A DEPENDABLE AND PRODUCTIVE DESKTOP

With the computing power of the latest Intel® Processors and a high-performing DDR4 memory, the V530 Tower desktop efficiently meets the needs of small businesses. The PCIe SSD storage powers up the PC in a flash and spares you the frustration of slow-loading files and applications. Together with abundant and easy-to-access USB ports, the V530 desktop keeps you ready for tomorrow's business demands.

Superior Performance: enjoy seamless multitasking, rich content creation, and easy handling of heavy files and applications with the ultra-responsive Intel® Optane™ memory*.

*Optional

Better Security: prevent sensitive data and customer information from leaking with BIOS-based Smart USB Protection that allows connection to only designated USB devices.

Effortless Management: experience quick sharing of files with the USB 3.1 Gen 2 ports that allow data transfer with two times faster speed in comparison to the previous gen ports.

Sustainable Growth: reduce your energy consumption for better savings and a more efficient business with a certified and eco-friendly desktop.

ITDM Benefits

- **Maximize Productivity:** the 8th Generation Intel® Core™ i7 Processors maximize system performance, enabling faster response time and allowing users to experience improved productivity.
- **Keep Business Secure:** a series of security solutions like Smart USB Protection and TPM 2.0 ensure that confidential business data remains well protected.
- **Simplify IT work:** Lenovo Vantage provides a one-stop-shop to manage system health, configure system updates, purge unnecessary files, and save IT's time as well as enable employees to focus on their tasks.

ACCESSORIES

Lenovo FingerPrint Biometric USB Mouse

(PN: 4Y50Q64661)

Enjoy the full-size ergonomic ambidextrous design of this high-performance mouse that comes with a fingerprint biometric sensor. Fast, easy, and accurate, it offers a high precision of 1600 dpi resolution and is Windows Hello certified.

Lenovo Stereo Headset

(PN: 4XD0K25031 USB, PN: 4XD0K25030 Analog)

Comfortable fitting, universal VoIP optimized headphones that come with double-sided ear pieces help you focus on the call by blocking unwanted sounds. The adjustable headset and 180° microphone provide excellent sound clarity be it on VoIP or regular phone calls.

ThinkVision T24i

(PN: 61C6MAR1XX/ 61C6MAT1XX)

Experience vivid images on the 24" borderless full-HD monitor with IPS panel. Equipped with built-in power and the rich connectivity of VGA and HDMI ports, T24i meets diverse connection demands. It features an LTPS full-function stand that pivots 90° clockwise and counterclockwise for ease of use. Additionally, 4 USB 3.0 ports offer easy connectivity.

Lenovo Secure Desktop Drives

(PN: 4XB0M137XX)

Eliminate the threat of a data breach when transporting data with military-grade AES 256-bit CBC HDWR encryption. The drive provides Keypad Pin authentication and programmable Brute Force protection that allows the admin to set failed attempts between 4 and 20.

RECOMMENDED SERVICES

Lenovo offers a comprehensive portfolio of services to support and protect your investment — so you can focus on your work, not your IT.

Premier Support

Provides direct access to skilled and experienced Lenovo technicians offering comprehensive hardware and software support. Gives you a consistent point of contact within Lenovo to ensure that your case resolution is professionally managed from start to finish.

Accidental Damage Protection (ADP)

Prevents the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops, or damage to the integrated screen.

Warranty Extension (up to 3 years)

This fixed-term, fixed-cost service helps you accurately budget for desktop expenses, protect your valuable investment, and lower the cost of ownership over time.
