- Ultra-light 812g
- Up to 2 hours integrated battery
- 15,000mAh power bank @ 3.7V
- 3W x 2 built-in speaker
- Instant on/off

Hassle-free projection

- Built-in Wireless Projection via Android¹ or iOS² device³
- Multimedia playback (USB/MicroSD)
- Vertical keystone +/- 40° (Auto)

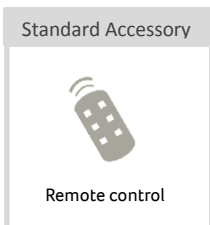

Eco-Friendly functionality

- Lamp life up to 20,000 hours
- Mercury free light source

1 – Android devices that support Miracast

2 – iOS 10 & 11

3 – Installing an extra app is not required

Multimedia Support format

Photo	JPEG, PNG
Audio	MP3, WMA, WAV
Video	MOV, AVI, VOB, MPG, WMV, MP4, MKV

LED Light Source

LED lighting lets you enjoy outstanding color performance with 85% NTSC wide color gamut, creating vibrant visuals and delivering consistent color saturation. Its greater bulb durability provides up to 20,000 hours long lifespan. In addition, by eliminating the potential pollution from mercury lamp disposal.

Embedded Battery

Take B130i anytime, anywhere without being limited by power socket or carrying heavy adapter. Enjoy full-length films with up to 2 hours of renewable battery life on a single charge. B130i can also double as a 15,000mAh (@ 3.7V) power bank for your smart devices.

Wireless Projection

Break free from the clutter of wires with easy wireless projection. With built-in wireless function, you can connect your Android¹ or iOS² device and projector in wireless signal. An extra App is not required. The mirroring allows you to project exactly what you see on the smart devices. Sharing your travel photos or a family video on big screen can be this easy.

Ultra-light

Sometimes, we just need to pick up and go at a moment's notice. This lightweight projector lets you do just that. At just 812g and 108 x 103 x 96 mm, the B130i is much smaller than regular projector and can be easily packed into bag. Pack up the projector and get where you're needed.

About Acer

Founded in 1976, today Acer is one of the world's top ICT companies and has a presence in over 160 countries. As Acer looks into the future, it is focused on enabling a world where hardware, software and services will infuse with one another to open up new possibilities for consumers and businesses alike. From service-oriented technologies to the Internet of Things to gaming and virtual reality, Acer's 7,000+ employees are dedicated to the research, design, marketing, sale, and support of products and solutions that break barriers between people and technology.
