Happiness all around

MSI Cubi N is equipped with a Intel® Gemini Lake processor which improves the decoding technology to support HEVC (H.265) decoding to provide substantially improved video quality and brings whole new ultra-realistic visuals.
With Cubi N, you can experience the high quality of 4K UHD.

MSI CONFIDENTIAL

Do more work simultaneously

Are you watching a lot of webpages and applications on a small monitor? With the HDMI port and VGA port MSI Cubi N can support dual monitors, you can do and view more.

MSI CONFIDENTIAL

Mountable to a Monitor

Cubi N is designed with a mini size and supports standard VESA-mount. Mount the Cubi N to the back of a monitor and make the PC completely invisible.

MSI CONFIDENTIAL

Wavy Meshed Design

Smaller than a lunchbox and less volume than a large soda can, MSI Cubi N is a mini PC in its kind. With a 0.45 liter case that still provides all the elements of a desktop-worthy PC. With a wavy meshed design, Cubi N is not just a mini PC but a fashion house decoration.

I/O spec

- 1x VGA out
- 1x HDMI out
- 2x USB3.1 gen 1 Type A
