# Mi 10

## Lights. Camera. Action.

Leading video in the 5G era

### Qualcomm® Snapdragon™ 865

Leading 5G connectivity and performance

### 108MP quad camera with 8K video

1/1.33" super sensor and OIS

### 90Hz 6.67" DotDisplay with TrueColor

Dual speaker system for cinematic audio

### 30W wired and 30W wireless fast charging

4780mAh (typ) high-capacity battery

## Leading performance with Qualcomm® Snapdragon™ 865

Powered by the latest flagship Qualcomm Snapdragon 865 chipset, Mi 10 is fueled by an octa-core Kryo 585 chip processor for extreme power efficiency and performance. It also features an X55 modem for lightning-fast 5G connectivity, and supports 5G MultiLink for simultaneous connection to three networks (2.4G Wi-Fi, 5G Wi-Fi and mobile data) at once. Along with our best RAM + ROM combo – LPDDR5 and UFS 3.0, Mi 10 offers swift response and an ultra-smooth operating experience. Paired with the most sophisticated cooling system Xiaomi has ever created, Mi 10's CPU temperature is kept cool to ensure high performance speeds – even during heavy usage.

## 108MP quad-camera with 8K video recording

Mi 10 brings photography and videography to the forefront with its 108MP quad rear camera system. Shoot ultra-clear 108MP shots, experience the full view with the 13MP ultra-wide angle lens. A dedicated macro lens allows users to take vivid close-up shots, while the depth sensor assists the primary sensor in creating smooth bokeh for portraits. Shoot incredible moments with Mi 10's UHD 8K video recording at 30fps and use the portrait or Vlog modes to keep your videos picture perfect.

## 6.67" 3D curved AMOLED with TrueColor

Beauty and functionality come together to form Mi 10. Featuring an incredible 6.67" curved AMOLED edge-to-edge DotDisplay and TrueColor technology, the device offers an unparalleled color accuracy. Its 3D curved glass design and realistic vibration system ensure a comfortable in-hand feel and excellent haptic feedback for up to 150 different scenarios. With its 90Hz SmoothSync display and dual stereo speaker system, Mi 10 offers an astonishingly immersive visual, audio and touch experience.

## 30W wireless charging and massive 4,780mAh battery

Mi 10 offers 30W wired and 30W wireless charging (56 and 69 mins for 100% wired and wireless charge respectively). It also supports reverse wireless charge\*, allowing Mi 10 users to charge up other devices on-the-go. Aside from superb charging speed, Mi 10 comes with a 4,780mAh battery that lasts up to 2 days\*\* of usage, and a 30W in-box charger for quick charging when needed.
