MasterBox Lite 3 B2C

Window panel version: MCW-L3S2-KW5N

Solid panel version: MCW-L3S2-KN5N

Our compact factor, ample inner space, high ventilation ready case.

This model is our compact high airflow (up to 2 front fans and one rear fan) black painted rear / interior Mini-ITX / Micro-ATX case.

The package comes with a pre-installed rear 120mm fan. It supports large VGA cards as well as up to 240mm front radiator for liquid cooling.

Despite being compact, this little guy provides ample space for large VGA and good aeration..
