- All brands and product names mentioned herein include trademarks of their respective companies and are used solely to describe or identify the products. Not all features indicated are supported on all SKUs 1 GB is 1 billion bytes. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Acer Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space. Minor variations in system dimensions are possible due to the manufacturing process. Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected notions.
- and selected options.

 Listed battery life is based on testing using video playback. The test clip loops and continues to run, 10. Losseu vatery irre is oased on testing using video playback. The test clip loops and continues to run, without interruption or any other inputs, until the battery is drained. Stated battery life is for comparison purpose only. Actual battery life varies by model, configuration, applications, video chip format and features used. A battery's maximum capacity decreases with time and use. Battery life test configuration: 2nd Gen AMD RyzenTM 7, NVIDIA® GeForce® GTX 1650, FHD, SSD only, 4GB of LPDDRAX memory. Battery life test condition: LCD brightness 150 nits, connected headphones, WLAN off, Bluetooth off and Better Battery Mode on.

Listed battery life is based on testing using Web browsing. The test clip loops the loading of 50 selected websites using Microsoft Edge every 30 seconds, until the battery is drained. Stated battery life is for comparison purpose only. Actual battery life varies by model, configuration, applications, video chip format and features used. A battery's maximum capacity decreases with time and use. Battery life test configuration: 2nd Gen AMD RyzenTM 7, NVIDIA® GeForce® GTX 1650, FHD, SSD only, 4GB of LPDDRAX memory. Battery life test condition: 100 nits LCD brightness, 50% speaker volume, WLAN on, Bluetooth on DNW direct laterate congestion.

Up to 14 hours (based on video playback test results)
Up to 11 hours (based on web browsing test results)

Multi-gesture touchpad, supporting two-finger scroll; pinch; gestures to open

Cortana, Action Center, multitasking; application commands

Microsoft Precision Touchpad certification

Touchpad

Listed battery life is based on MobileMark 2014® productivity mode testing with wireless on. Details of MobileMark 2014 testing are available at www.bapco.com. Battery life rating is for comparison purposes only. Actual battery life varies by model, configuration, application, power management settings, operating conditions, and features used. A battery's maximum capacity decreases with time and use. Bundled software may vary depending on hardware configuration, OS and regional availability. 12.

In a continuing effort to improve the quality of our products, information in this document is subject to change without notice. Images shown are only representations of some of the configurations available for this model. Availability may vary depending on region. As a phenomenon known to thin-film transistors (TFTs), liquid crystal displays (LCDs) commonly exhibit a small number of discoloration dots, as so-called "non-conforming pixels." This phenomenon is a limitation of TFT LCD technology, not a product defect, and as such is not covered by Acet's warranty.
