DATASHEET / BROCHURE

Create the big-screen experience with this high-quality, long-lasting and flexible projector for the home and office, with XGA resolution.

Here's a projector the whole family can enjoy; from watching box sets to delivering sharp presentations, this XGA projector has the tools for the job. There's no need to worry about ambient light; it produces a bright and clear display with 3,600 lumens and 3LCD technology. It's also easy to transport and set up. And its incredibly long lamp life means it's great value for money.

Bigger is better

Whether you're watching your favourite blockbusters or delivering a presentation, this projector can achieve an impressive 300-inch display. It's great quality too, with 3LCD technology that makes the display up to three times brighter than competitor products². In addition to its bright and vivid colours, the 15,000:1 contrast ratio produces defined shadows and deep blacks. From family and friends to business colleagues and clients, it's sure to get everyone's attention.

High-quality, bright images

Even in bright rooms, this powerful yet affordable XGA projector delivers exceptionally bright yet colourful images with clear details. It's all thanks to 3LCD technology, which produces an equally high White and Colour Light Output of 3,600 lumens.

Long-lasting solution

Looking for a long-term, hassle-free and affordable solution for your projection needs? With this model's long-lasting lamp light source, you could watch a film every day for 15 years¹.

Stress-free set up

Here's a projector that's designed with portability and quick set up in mind. The carry case makes it easy to move from room to room, and you can quickly position the image with keystone correction and access content simply with the HDMI inputs. With the optional ELPAP10 adapter, it offers Wi-Fi connectivity, allowing you to share content from a smart device using the iProjection app.
