

# FAMILY TABLET IN A POCKETABLE SIZE.

Versatile and convenient for games, reading, viewing.

Here's a versatile Tablet for everyone in the family. It's so convenient with a bright 7" display and weighing just 260 g - just put it in your pocket and go anywhere! The size might be small, but the performance is big with up to 9 hours of movie-watching, socializing, games, reading, and more. Designed for multiuser sharing, TAB3 7 has special features like splash protection and safe web browsing for kids. This is one Tablet the whole family can enjoy!

## WHY YOU SHOULD BUY THE LENOVO™ TAB3 7

### Splash-proof Resilience

Special P2i nano-coating technology gives TAB3 7 the water protection you need, so even an accidental spill or splash won't have you worrying.

### Multiuser Sharing

All members of the family can share this versatile Tablet, with separate personal profiles and app configurations for every user.

### Perfect for Kids

Children love the special Kid's Mode interface, and dedicated profiles just for kids let you control usage and limit access to websites and apps.

### Adapts to the User

With Adaptive Display technology, the display and audio controls automatically adjust to the apps you're using, with custom presets for exactly the experience you like best.
