ASK FOR A STYLISH EVERYDAY COMPUTING

Aspire ES 15

- **Elegant outside**
  Textured top covers and hints of colors on their edges offer a unique, sophisticated look and feel

- **Flamboyant inside**
  Pop open the top covers and the flamboyant side of the notebooks will be revealed in a blast of color of your choosing

- **Comfortable viewing**
  Bluelight Shield™ filters out irritating blue light from the screen for a more comfortable viewing experience

Windows

| HD LED true cinematic view | DVD-RW drive with M-DISC™ support | BluelightShield™ | Gigabit LAN | Precision Touchpad | HDMI | BYOC Empowered |

1. Specifications vary depending on model.
2. 64-bit software is required to enjoy the advantages of 64-bit processing.
3. Shared system memory may be allocated to support graphics, depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by any memory used by the graphics solution and resources required by the operating environment.
4. Memory speed may vary, depending on the CPU, chipset or memory fitted.
5. A 64-bit operating system is required to enjoy the ultimate performance of 4 GB or higher memory.
6. 1 GB is 1 billion bytes, 1 TB is 1000 GB. Actual formatted capacity is less and may vary depending on preloaded materials and operating environment. Recovery Management uses a portion of the stated hard disk capacity as dedicated backup space.

7. Actual throughput may vary depending on network conditions and environmental factors such as network traffic or overhead, building construction and access point settings.
8. Subject to availability.
9. Weight may vary depending on product configuration, vendor components, manufacturing variability, and selected options.
10. Bundled software may vary depending on hardware configuration, OS and regional availability.

About Acer

Established in 1976, Acer is a hardware + software + services company dedicated to the research, design, marketing, sale, and support of innovative products that enhance people's lives. Acer's product offerings include PCs, displays, projectors, servers, tablets, smartphones and wearables. It is also developing cloud solutions to bring together the Internet of Things. Acer is celebrating its 40th anniversary in 2016 and is one of the world's top 5 PC companies. It employs 7,000 people worldwide and has a presence in over 160 countries.
